## **1000 Supporter Challenge**

*Incarceration has proven not to work. 24/7 House has proven to work. Would you give \$20 to save a friend or family member? Every family is affected by alcohol or drug addiction.*

*Help us restore the addict and alcoholic to his or her family.*

*A commitment of a minimum of \$20 per month can change lives.*

*Will you accept this challenge of a monthly contribution of \$20.00 to the 24/7 House to provide the means to continue the work God has begun?*

*How many of your friends, family and church members would be willing to commit to this challenge? Please share and spread the word.*

*By signing and returning this letter we will be one step closer to reaching our goal of **1000** supporters that was given as a challenge to our community.*
